1 Importance of attending E-Council Meetings

Sara Cornell Welcome !

2 DH House issues

Sara Cornell Front room is going to be an E-Council office. Theta Tau is using the back rooms. The main goal is going to have E-Council a new office. Also, we are trying to get new computers. Are there other organizations use for the room at the back as an office ?

Sarah Greenwood says she doesn't require an office for her organization. SWE could use an office.

Alex Nimmanitt says it can be a common office.

3 Lockers

Sara Cornell People who work in the machine shops want students to wear certain type of outfits for safety, so one of the ideas can be to get lockers for students, something like on the lines of lockers in the ECE labs on the third floor of Tomkpins Hall. Do you think people would use them ?

Sarah Greenwood How many locks are we thinking about ? I don't think there would be a problem of people taking it over forever.

Rich Galli What about overnight locks would be cut.

4 Flat Screen in the First floor of Tompkins

Sarah Cornell Questionable use of money or under-utilization of the device? All E-week events would be publicized on that screen. Joanne Welsh is incharge of that screen. We can work out things in such a way that more events can be put up on that screen.

Mike Purr says some events are put up after the event was over.

Sarah Greenwood says what else can it be used for anyways?

Yash Gandhi says Public health school has one similar one.

5 Feb 20th Meeting for E-Week - Presidents' Day

Sarah Cornell asks "Would you rather have it that monday, which is the Presidents' day ?". Majority respond in negative.

6 E-Week Stuff

6.1 E-Ball tickets are on Sale

Rochelle Reardon says 150 tickets are on sale. *Sarah Cornell* informs that it's \$20 per ticket. Transportation to the cruise site is available and is free.

7 Sober Monitor

Kylee Rudd asks “Is anyone interested to be there. Whoever is interested please email E-council.”

7.1 Choice of Music

Alexander Nimmannitt wants Giligan’s island while boarding the cruise. *Sarah Greenwood* suggests *Electric Slide*. *Alexander Nimmannitt* suggests Square dancing.

7.2 Publicity

Kylee Rudd Each group is responsibility for it’s own publicity and room reservations.

8 E-Financial Board report

John Farrell Mid-year Review of funding all those organizations who did not get back to us will be suspended for funding.
